## Transition Thoughts

Greetings my brothers and sisters in Christ. This Easter season I am choosing to echo my thoughts from a year ago. We are an Easter People. Our lives as Christians are formed by our experience of Christ's resurrection. As you read this, we will be moving from the parades of Palm Sunday, into the dark shadows of Maundy Thursday and Good Friday, all in preparation for the joyful "Alleluias" of Easter morn. Christ Is Risen!

In word and music, in prayer and in song we will be lifted into God's presence as we celebrate Christ's resurrection. We know that in God's raising Jesus from the dead, the hold of sin and death, of evil is broken, and that God has ushered in the kingdom that is ruled by love and peace. We are an Easter people, living in this loving reign of God.

And yet, there is still so much out there that would argue against this triumph. Suffering, and death, injustice, hatred, are still present. And they are very real. As an Easter people we live in the midst of this tension, knowing that God has already conquered, and is yet conquering the evil of this world. The resurrection means that "Christ rules in the hearts and lives of the individual believers, as well as in the gathered believers, in the church. The world at large may still be gripped by the powers of darkness, but their power is broken in believers who place their trust in Christ and acknowledge his lordship in their lives. They experience the present reality of the freedom, love, joy, reconciliation, and new life of the kingdom of God."

Shirley Guthrie, a teacher of systematic theology gave us some guidance for living "Between the Times" of God's triumph in the resurrection of Christ, and the fullness of God's reign over all that is. In his book Christian Doctrine, he counseled that:

1. We must take evil seriously. We "cannot ignore that godless injustice, suffering, and inhumanity do and will continue to ravage our individual lives and our world." "...Evil is so powerful that no human beings in history but only Christ in the end of history will finally overcome it. Until then Christ himself is often not present in the world as triumphant Lord who overcomes all the oppressive, death-bringing powers of evil...Rather, he is often present as despised, rejected, crucified Lord who suffers with and for all who are the victims of these powers.

2. We must not take evil more seriously than we do God. This is a world in which there is evil. But Jesus Christ is risen. Evil may be stronger than you or me, but it is not stronger than God. It is God who has the last word, and no darkness will overcome the light that has come into this world. No matter how bad things may look, Easter people know that there is a power at work now to overcome all that is wrong with this world, a power that keeps breaking into our lives, changing us, making things new, and which gives us glimpses of God's final triumph.

3. We can and must fight against evil. "The confession that Jesus is Lord does not mean that we can sit back with a sigh of relief and tell ourselves that everything is all right now. The powers of evil around us and within us have not yet admitted defeat. The risen Lord is still finishing the work he began, and to call Jesus Lord means to throw ourselves into the battle with him."

Friends, Christ is risen. We are an Easter people.

## **Deacons' Doings**

The Deacons have been busy planning for Holy Week. This year on Palm Sunday, there will be both traditional palms (can be made into crosses) and also eco palms to choose from. Flowers have been ordered to beautify the sanctuary, many thanks to all who donated to make this possible, and the group will gather on Saturday, April 4<sup>th</sup> to decorate. Rachel Morgan and Lisa King have been busy planning the children's Easter Egg Hunt to take place right after church on Easter morning.

Hopefully, you have noticed the beautiful glass candle holders in the windows. Thank Becky Lovett for this wonderful addition to the worship space.

The guest book has been moved back to the vestibule and will soon be replaced with a nice new one as the present one is almost full and badly worn. As always, thanks to all the circle members who greet people there each Sunday.

As always, members visit those in need of care, send cards, usher, deliver flowers, and see that things run smoothly on Sunday mornings. If you know of someone in need of care, please let a deacon know – we hate missing someone just because we are not aware of a need.

If you enjoy socializing with a beverage and goodie after church, consider volunteering to bring something to share or sponsoring a Sunday refreshment time in honor of a special event. There is a sign-up sheet on the bulletin board in the vestibule.

The third Sunday of each month is very important because that is the day we collect non-perishable food items for Mercer Street Friends. Leave your donations either in the hallway or in the kitchen. They are delivered on the 3<sup>rd</sup> Tuesday of each month and much needed and appreciated.

If you've ever watched a TV show where someone's life is saved when defibrillator paddles

are used to get someone's heart beating regularly again, you realize how valuable this apparatus can be. Our church, unlike most public facilities, does not have a defibrillator (AED). The deacons want to rectify this and are asking for everyone's help. The cost is a little over \$1100. The deacons, PW and the Senior Citizens have agreed to help fund this item and also the deacons will provide training in its use but could use donations from any of you willing to help with this purchase. If you would like to contribute, please send your donation to the church office or give it to a deacon, earmarked "AED" no later than April 15<sup>th</sup>. You could help to save a life.

*Blessings to all during this Easter season.*

**Science and Faith**

For many people there is a conflict between issues of faith and scientific facts. In recent years, there has been increased debate about whether religious beliefs are in direct conflict to science, and the greatest debate concerns evolution. Don Lovett will present a 3-part series that will explore the intersection of science and faith. The series will examine how science, including the theory of evolution, is not in conflict with biblical teachings. The final session will focus on how we, as people of faith and as responsible citizens, should reject attempts to either exclude evolution or force the inclusion of creationism in the science classroom.

Each session will be an independent presentation, so if you miss one session, you will still be able to understand and enjoy the other sessions.

## Special Meeting of the Congregation

The Session of the Ewing Presbyterian Church, at its regular stated meeting on March 24<sup>th</sup>, voted to call a special meeting of the congregation immediately following the 9:30 worship service on April 19<sup>th</sup>, 2015. The special meeting of the congregation is called for the purpose of electing members of the congregation to serve as Elders and Deacons of the church, filling existing vacancies in the Session and Board of Deacons.

---

## March Session Update

At its March 24<sup>th</sup> meeting, the Session:

Heard the report of the Commissioners to the March meeting of the Presbytery of New Brunswick, including the actions of the Presbytery affirming the addition of the Confession of Belhar to the *Book of Confessions* of the Presbyterian Church (U.S.A.), and voting to amend the the Book of Worship in the *Book of Order* so that it now reads, “Marriage involves a unique commitment between two people, traditionally a man and a woman...” It also allows a minister to perform a marriage service and gives each session the authority to allow church property to be used for such a service, but shall not “compel a teaching elder (minister) to perform nor compel a session to authorize the use of church property for a marriage service.”

Heard the report of Rev. Katie Mulligan on her work as the youth minister for this congregation, Covenant, and Lawrence Road Churches, including her work with the Sr. High LOG (Love of God) program, ongoing work with middle-school age youth from the three churches and Trenton, and her outreach to the individual youth of this congregation. She reported on planning that is underway for an intergenerational mission trip to West Virginia this summer, and for a Monday evening meal and worship service to be developed for youth and their families in the area served by the three churches.

Acted to reorganize the Session’s working groups into two teams; Operations, and Faith Development.

The Faith Development Team will work with the programs and ministry previously overseen by the Adult Education, Mission and Service, the Children and Youth, Membership and Communications, Stewardship, and Worship Committees. The Deacons ministries will also part of this Team’s focus.

The Operations Team will focus on the work previously encompassed by the Finance, Buildings and Grounds, and Cemetery Committees. The Personnel Committee will work with both Teams.

With this reorganization, Don Lovett was elected to serve as the President of the Corporation, with Wayne Berens to serve as Vice-President. Ginny Saiia was previously elected to serve as the Clerk of the Session, and thus the Secretary of the Corporation, and Barbara Salles was elected to serve as Treasurer.

Voted to approve and support the Proclamation of May 1<sup>st</sup> as a Day of Unity in the Community (See \*Unity in the Community) for this congregation in solidarity with the City of Trenton and the communities of Mercer County; to promote participation by members of this congregation in the events to be held on May 1<sup>st</sup> and during the week that follows leading to the National Day of Prayer; and to encourage the Ewing Township to consider and support the Proclamation of May 1<sup>st</sup> as a Day of Unity in the Community within Ewing Township and in solidarity with the City of Trenton and the communities of Mercer County.

### **\*Unity in the Community, May 1<sup>st</sup>**

Almost a year ago, on the National Day of Prayer, a number of people from the greater Trenton area gathered for a Prayer Walk that traveled to the sites of where people of the Trenton community were murdered between January 1st and May 1<sup>st</sup>, 2014.

Sponsored by the United Mercer Interfaith Organization (UMIO), the Prayer walk was dubbed the “Murder Walk” as it visited the places where people of the community had met tragic and violent death. At each site, prayers were offered for the victims, for their families and friends, and for those who committed the murders. It was an incredibly moving and powerful event for all those who participated. From that first prayer walk, a monthly prayer vigil formed that continues to be held on the first Monday of each month at Covenant Presbyterian Church. People continue to gather to offer prayers for those who have died, those who have left behind by these murders, those who carried them out, and for an end to the violence that strikes the greater Trenton community.

UMIO, and those who have continued to gather for this prayer vigil are at work to hold a second Prayer Walk for those who have died violently in the first part of this year. The second Prayer Walk will be held on Friday, May 1<sup>st</sup>, going to the places where five (to date) people have been slain through the first months of 2015. We will again offer prayers for those who have died, for the family and friends who have been left behind by their murders, for those who committed this violence, and for an end to violence in the greater Trenton community.

This year’s Prayer Walk will be part of an even greater effort supported by UMIO and the communities of Trenton and the rest of Mercer County. The Trenton City Council, the Board of Freeholders of Mercer County, the municipal governments of Mercer County will all be considering a Proclamation for May 1<sup>st</sup> to be a Day of Unity in the Community, when the municipalities will join in solidarity with the City of Trenton, with a diversity of local faith inspired communities and community based organizations will join together in unified prayer, community action and interfaith fellowship to raise a unified voice in the promotion of peace throughout the Trenton and Mercer County.

The May 1<sup>st</sup> Unity in the Community will begin a week-long series of events to focus the broader communities attention on ending the violence that threatens our interconnected communities. Among those events will be:

**The Prayer Walk,**

May 1<sup>st</sup>

3:30 -6:00 p.m.

**Unity in the Community Dinner**

May 1<sup>st</sup>

**Faith Communities observances**

during worship of the diverse communities of faith.

**Seniors**

The Seniors’ group met on March 3<sup>rd</sup> and, in spite of bad weather and low attendance, enjoyed a delicious covered dish lunch. In that mysterious way that these meals always work out, it was a balanced meal although, maybe, a little heavy on dessert. The group then enjoyed a discussion with Stephanie Bradley of Meals on Wheels.

We will meet next on Tuesday, April 7<sup>th</sup>, at noon in the Education Building. Our program that day will be a tour of the 1867 Sanctuary led by Helen Kull. She will show us around, talk about what has been and explain what the plans are for doing the restoration work in phases.

We plan to go to the Hunterdon Hills Playhouse on Wednesday, June 3<sup>rd</sup>. The cost will be \$20. Please talk to me or Buzz Dakin if you would like to join us. I would like to have a head count for the playhouse as soon as possible to make planning easier from both ends. ### **Choir Festival**

The Flemington Presbyterian Church will present *Jubilation! Celebrating Christ throughout the Liturgical Year*, a festive choral service of anthems and hymns with pipe organ, piano, brass quartet, and handbells interpolated with scripture, readings, and prayer. The service will bring together choirs from throughout the Presbytery to present seven well-known choir anthems. Our own J. Jay Smith, musical director at Flemington, will conduct.

Anthems featured during the service include John Rutter's *Christmas Lullaby*; Felix Mendelssohn's *There Shall A Star*; *When I Survey the Wondrous Cross* by Gilbert Martin; *Lift Up Your Heads* by Robert Powell; and more.

The festival service will take place on Sunday, April 19<sup>th</sup> at 3:00 p.m. at the Flemington Presbyterian Church, 10 East Main Street, Flemington.

### **Unity in the Community Dinner**

The Urban Mission Cabinet Inc., invites all members of the Presbytery of New Brunswick to participate in its first annual *Unity in the Community* dinner on Friday, May 1<sup>st</sup> at 7:00 p.m. in the Trenton Masonic Temple at 100 Barrack Street, Trenton.

The dinner is an important part of a series of dynamic activities being organized by the UMC Inc. in the week leading up to the National Day of Prayer on Thursday, May 7<sup>th</sup>. The UMC Inc. is seeking to unify a broad and diverse cross section of local faith and community based organizations for fellowship and focus on the critical opportunities for a transformational approach to urban mission work. This year's theme is "United We Stand, Divided We Fall."

### **One Great Hour of Sharing**

Once again on Palm Sunday you will have the opportunity to contribute to the One Great Hour of Sharing offering. Each year, around the celebration of Easter, we take up this very special offering to contribute to the greater mission of the Church.

OGHS is an offering that has existed for more than 50 years and its purpose is to joyfully respond to those in need through the love of Christ. The following blog addresses the importance of the offering and its ongoing impact on those in need.

## **What difference does one gift make anyway?**

### **How one offering counts, again and again.**

Each year, One Great Hour of Sharing gives us the opportunity to support disaster relief, hunger initiatives, and self-development of people. Even if you've given in the past, you may have wondered: Does my individual gift make much difference?

The problems OGHS seeks to address are daunting. Millions displaced by disaster or political upheaval. Whole communities without enough food to eat. Entire generations without access to education and opportunity. Through God and the work OGHS supports, meeting even these vast challenges is possible.

When you give to OGHS, it's about more than what you put in the collection envelope. Your gift is added to the gift of the person in the seat beside you, and the congregation across town. It is multiplied by the volunteers helping God's children around the world, as they turn a handful of dollars into a tableful of meals, a single check into gallons of clean water. And your gift is amplified by those who are ultimately helped. When their stomachs are full, their schools are open, and they have a safe place to sleep, they are free to turn their attention to more than survival: to raise a healthy family, to finish school, to serve others, to grow with God. In each good act – weeks, months, and years from now – your gift is making a difference.

So, if you have given before, but always wondered if it mattered: know that it does. If you have never given because you didn't think you could make an impact: know that you can.

## **A Portrait of Hunger**

A recent survey by Feeding America addressed the growing need for food and the impact of that need on food pantries and meal sites, and ultimately on area food banks such as Mercer Street Friends Food Bank.

91% of food pantries and meal sites say they feed as many or more people as they did in the prior year and 61% saw an increase in demand for food. This strain on charitable assistance programs increases the need for additional supplies from area food banks.

Food banks account for 63% of the food that stocks pantries and meal sites. Fresh fruit and vegetables (62%) and protein food items like meat (52%) were listed as the most wanted products. 84% of pantries and meal sites reported that it would have a major effect on their program if they no longer received food from their food banks. Food banks serve as an integral lifeline in providing much-needed food supplies.

Ewing Presbyterian Church continues its long-standing relationship with Mercer Street Friends Food Bank with the generous donations of food items that are collected on the third Sunday of the each month. Please remember Mercer Street Friends when you are grocery shopping. Every item donated truly makes a difference.

## **Every Sunday is a Little Easter**

Beginning with the first Easter, the celebration of the Resurrection has been the focus of Christian worship. Because the early disciples were Jews they would have observed the Sabbath on Saturday. However, the first day of the week became the day for Christian worship. It was known as the Lord's Day, the day of Resurrection. Our weekly Sunday worship is a celebration of Jesus' resurrected presence with us – a little Easter each week

The season of Lent is 40 days long, not counting Sunday. The actual number of days from Lent's start to Easter Sunday is 46 days. But because the church sees every Sunday as a mini-Easter celebrating Christ's resurrection, the six Sundays that occur during Lent are not counted.

## Nursery School Notes

The classes at our nursery school had a great time preparing for Easter, and fun was had by all during their Easter parties. It is April, when new buds and flowers, warmth and sunshine remind us of God's miracles of nature and renewed life. The children are observing these changes and learning about them. The nursery school staff and children wish all of you a very blessed Easter!

2 year old class – Mrs. Contento - In March we hung a sun in our room for each student. We sang a little song that inspired one student to bring in a CD of sun songs. The children danced and brought sunshine into the classroom. We now have a bright and cheery room decorated with the sun, the stars and signs of spring. We had great fun getting ready for Easter as well as during our party.

The color purple will start to decorate our room in April. The children love Dora and we will do a unit with her and her special purple back pack. This is a lesson on finding the things we may need to solve a problem. We then create a little back pack like Dora has and fill it with the helpful tools. As in any Dora show we will be on the lookout for Swiper. The children will remind him "Swiper, NO SWIPING"!

3 year old class – Mrs. Genovay - During the month of March, the children learned about the themes of Transportation, St. Patrick's Day, Wind, Weather, Spring and Easter. They learned that "March comes in like a lion and goes out like a lamb."

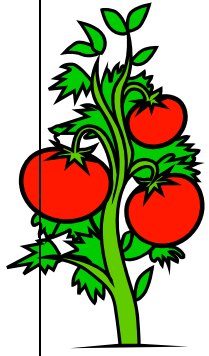

We started the month of April off by talking about April Fool's Day! Our Easter party was the day after April Fool's Day. The children really enjoyed themselves at our Easter party, and the highlight of the party was the Easter egg hunt. We will also talk about things that grow and the different kinds of seeds that can be planted. Our final topic of the month will be the celebration of Earth and how important it is to all of us.

4 year old class – Mrs. Sipe – The four year old class had an interesting March. We have seen many different types of weather. One day it was below 10 degrees and the next week we had a 60 degree day. We have been learning about Dinosaurs and this was once again a big hit with our students. We have spent time looking for spring and getting ready for Easter. We enjoyed hunting for eggs and would like to thank the parents who sent in stuff for our party.

April will be another interesting month. We will continue watching the spring changes. We will be learning about Animals in different habitats and will see how seeds grow by planting seeds and watching them grow.

Looking ahead - The nursery school plant sale will be April 13<sup>th</sup> through May 1<sup>st</sup>. Plant pick up date is the Saturday before Mother's Day, May 9th. There is more information included in this newsletter.
