

Lutheran Foundation of the Southwest

*The Lutheran Foundation of the Southwest (LFSW)
works to recognize, inspire, facilitate,
and teach end-of-life stewardship.*

LFSW is a non-profit organization that provides services to ELCA congregations by offering ministry sustainability through building financial stewardship. Together with our synod, they provide a Gift Planner to congregational members.

Our Gift Planner, Dr. Liz Johnson, provides private consultation to help individuals explore options for end-of-life stewardship planning.

A bequest, gift annuity, or trust provides a plan for your family before life's closure. She can help put final wishes in writing to the best advantage of the donor and the ministry they wish to support.

Gift planning provides peace of mind. A wide range of options make it possible to match a plan to every member's individual situation.

Please contact Dr. Liz Johnson at ljohnson@lfsw.org or 713.775.1595. She can meet with you privately at your convenience, providing you with essential resources for end-of-life financial planning.
