

## Assuring Our Mission Will Live On

---

Supporting our seminary candidates, campus ministries, mission starts, and innovative ministry projects are all critical priorities for the future of the church in the Texas-Louisiana Gulf Coast Synod.

Live On is the synod's endowment fund—our collective effort to ensure that the next generation of leaders will be free of additional student debt, that campus pastors will be present for college students wrestling with big questions, and that new faith communities will have opportunities to grow.

An endowment is a fund that is invested in order to provide annual income to support these ministries. Since its inception, Live On has granted about \$750,000.

### How can you help?

- **Pray** for our seminarians, campus pastors, and mission developers.
- **Engage** with other members of your congregation in a discussion about ways we can join together to build up the church at a time when the population of our region is growing and becoming more diverse.
- **Contribute** to the endowment, as you are able.

Legacy giving—also known as planned giving or end-of-life stewardship—will be an important way for us to support the church's ministries. If you have questions about legacy giving, please consider having a conversation with Lizbeth Johnson, the synod's gift planner, at 713.775.1595 or [lcjohnson@lfs.org](mailto:lcjohnson@lfs.org).
